Super Sectors	NAICS Industry Groups and Description
Natural Resources & Mining	<p>The Natural Resources & Mining super sector consists of two industry sectors; Agriculture, Forestry, Fishing, and Hunting and Mining, Quarrying, and Oil and Gas Extraction</p> <p>The Agriculture, Forestry, Fishing & Hunting sector comprises establishments primarily engaged in growing crops, raising animals, harvesting timber, and harvesting fish and other animals from a farm, ranch, or their natural habitats.</p> <p>The Mining, Quarrying, and Oil and Gas Extraction sector comprises establishments that extract naturally occurring mineral solids, such as coal and ores; liquid minerals, such as crude petroleum; and gases, such as natural gas. The term mining is used in the broad sense to include quarrying, well operations, beneficiating (e.g., crushing, screening, washing, and flotation), and other preparation customarily performed at the mine site, or as a part of mining activity.</p>
Construction	<p>The Construction sector comprises establishments primarily engaged in the construction of buildings or engineering projects (e.g., highways and utility systems). Establishments primarily engaged in the preparation of sites for new construction and establishments primarily engaged in subdividing land for sale as building sites also are included in this sector.</p>
Manufacturing	<p>The Manufacturing sector comprises establishments engaged in the mechanical, physical, or chemical transformation of materials, substances, or components into new products. The assembling of component parts of manufactured products is considered manufacturing, except in cases where the activity is appropriately classified in Sector 23, Construction.</p>
Trade, Transportation, & Utilities	<p>The Trade, Transportation & Utilities super sector consists of four industry sectors; Wholesale Trade, Retail Trade, Transportation & Warehousing, and Utilities.</p> <p>The Wholesale Trade sector comprises establishments engaged in wholesaling merchandise, generally without transformation, and rendering services incidental to the sale of merchandise. The merchandise described in this sector includes the outputs of agriculture, mining, manufacturing, and certain information industries, such as publishing.</p> <p>The Retail Trade sector comprises establishments engaged in retailing merchandise, generally without transformation, and rendering services incidental to the sale of merchandise.</p> <p>The Transportation and Warehousing sector includes industries providing transportation of passengers and cargo, warehousing and storage for goods, scenic and sightseeing transportation, and support activities related to modes of transportation. Establishments in these industries use transportation equipment or transportation related facilities as a productive asset. The type of equipment depends on the mode of transportation. The modes of transportation are air, rail, water, road, and pipeline.</p> <p>The Utilities sector comprises establishments engaged in the provision of the following utility services: electric power, natural gas, steam supply, water supply, and sewage removal. Within this sector, the specific activities associated with the utility services provided vary by utility: electric power includes generation, transmission, and distribution; natural gas includes distribution; steam supply includes provision and/or distribution; water supply includes treatment and distribution; and sewage removal includes collection, treatment, and disposal of waste through sewer systems and sewage treatment facilities.</p>
Information	<p>The Information sector comprises establishments engaged in the following processes: (a) producing and distributing information and cultural products, (b) providing the means to transmit or distribute these products as well as data or communications, and (c) processing data.</p>
Financial Activities	<p>The Financial Activities super sector consists of two industry sectors; Finance and Insurance and Real Estate and Rental and Leasing.</p> <p>The Finance and Insurance sector comprises establishments primarily engaged in financial transactions (transactions involving the creation, liquidation, or change in ownership of financial assets) and/or in facilitating financial transactions.</p> <p>The Real Estate and Rental and Leasing sector comprises establishments primarily engaged in renting, leasing, or otherwise allowing the use of tangible or intangible assets, and establishments providing related services. The major portion of this sector comprises establishments that rent, lease, or otherwise allow the use of their own assets by others. The assets may be tangible, as is the case of real estate and equipment, or intangible, as is the case with patents and trademarks.</p>
Professional & Business Services	<p>The Professional & Business Services super sector consists of three industry sectors; Professional, Scientific and Technical Services; Management of Companies and Enterprises; and Administrative and Support and Waste Management and Remediation Services.</p> <p>The Professional, Scientific, and Technical Services sector comprises establishments that specialize in performing professional, scientific, and technical activities for others.</p> <p>The Management of Companies and Enterprises sector comprises (1) establishments that hold the securities of (or other equity interests in) companies and enterprises for the purpose of owning a controlling interest or influencing management decisions or (2) establishments (except government establishments) that administer, oversee, and manage establishments of the company or enterprise and that normally undertake the strategic or organizational planning and decisionmaking role of the company or enterprise. Establishments that administer, oversee, and manage may hold the securities of the company or enterprise.</p> <p>The Administrative and Support and Waste Management and Remediation Services sector: comprises establishments performing routine support activities for the day-to-day operations of other organizations.</p>
Education & Health Services	<p>The Education & Health Services super sector consists of two industry sectors; Educational Services and Health Care and Social Assistance.</p> <p>The Educational Services sector comprises establishments that provide instruction and training in a wide variety of subjects.</p> <p>The Health Care and Social Assistance sector comprises establishments providing health care and social assistance for individuals.</p>
Leisure & Hospitality	<p>The Leisure & Hospitality super sector consists of two industry sectors; Arts, Entertainment and Recreation and Accommodation and Food Services.</p> <p>The Arts, Entertainment, and Recreation sector includes a wide range of establishments that operate facilities or provide services to meet varied cultural, entertainment, and recreational interests of their patrons.</p> <p>The Accommodation and Food Services sector comprises establishments providing customers with lodging and/or preparing meals, snacks, and beverages for immediate consumption.</p>
Other Services	<p>The Other Services sector comprises establishments engaged in providing services not specifically provided for elsewhere in the classification system. Establishments in this sector are primarily engaged in activities, such as equipment and machinery repairing, promoting or administering religious activities, grantmaking, advocacy, and providing drycleaning and laundry services, personal care services, death care services, pet care services, photofinishing services, temporary parking services, and dating services.</p>
Government	<p>The Government super sector consists of public sector establishments. This includes federal, state, and local government agencies that administer, oversee, and manage public programs and have executive, legislative, or judicial authority over other institutions within a given area. Public hospital and school districts are also included in this super sector.</p>
